### Overview

We are a biopharmaceutical company focused on acquiring, developing and commercializing clinical-stage drugs for inflammatory and immune-related diseases with clear unmet medical needs. Our two lead product candidates, EB05 and EB01, are in later stage clinical studies.

EB05 is a monoclonal antibody therapy that we are developing as a treatment for Acute Respiratory Distress Syndrome (ARDS) in COVID-19 patients. ARDS is a life-threatening form of respiratory failure, and the leading cause of death among COVID-19 patients. ARDS can be also caused by bacterial pneumonia, sepsis, chest injury and other causes. Specifically, EB05 inhibits toll-like receptor 4 (TLR4), a key immune signaling protein and an important mediator of inflammation that has been shown to be activated by SARS-COV2 as well as other respiratory infections such as influenza. In multiple third-party studies, high serum levels of alarmins (damage signaling molecules) that bind to and activate TLR4 are associated with poor outcomes and disease progression in COVID-19 patients. Since EB05 has demonstrated the ability to block signaling irrespective of the presence or concentration of the various molecules that frequently bind with TLR4, we believe that EB05 could ameliorate TLR4-mediated inflammation cascades in ARDS patients, thereby reducing lung injury, ventilation rates and mortality. In September 2021, an independent data and safety monitoring board preemptively unblinded the Phase 2 part of a Phase 2/3 study of EB05 in hospitalized COVID-19 patients and identified "a clinically important" mortality benefit. The monitoring board further recommended continuation of the study into a Phase 3 confirmatory trial. The Phase 2 part of the study was funded primarily by a \$11 million (C\$14 million) reimbursement grant that was awarded by the Canadian government's Strategic Innovation Fund (SIF) following a multi-disciplinary technical review of our drug technology and plans.

In addition to EB05, we are developing an sPLA2 inhibitor, designated as EB01, as a topical treatment for chronic allergic contact dermatitis (ACD), a common, potentially debilitating condition and occupational illness. EB01 employs a novel, non-steroidal mechanism of action and in two clinical studies has demonstrated statistically significant improvement of multiple symptoms in ACD patients. EB01 is currently being evaluated in a Phase 2b clinical study.

In addition to our current clinical programs, we intend to expand the utility of our technologies and clinical-stage assets across other indications.

## **Recent Developments**

### *Registered Direct Offering and Private Placement*

On March 21, 2022, we entered into a securities purchase agreement with the selling shareholder for the issuance and sale of 1,540,000 common shares and pre-funded warrants to purchase up to an aggregate of 1,199,727 common shares in a registered direct offering (the “RD Offering”) and warrants (the “Warrants”) to purchase 2,739,727 common shares in a concurrent private placement (the “2022 Private Placement”). The public offering price was \$3.65 for each common share and related Warrant and \$3.6499 for each pre-funded warrant and related Warrant. The Warrants have an exercise price of \$3.52 per share, were immediately exercisable upon issuance and have a term of exercise of five and one-half years. The closing of the issuance and sale of these securities was consummated on March 24, 2022. The gross proceeds from the offering, prior to deducting offering expenses and placement agent fees and expenses payable by us, were approximately \$10.0 million. This prospectus covers the resale or other disposition by the selling shareholder of the common shares issuable upon the exercise of the Warrants.

Known and unknown risks and uncertainties could cause our actual results to differ materially from those in forward-looking statements. Such risks include, but are not limited to, the following:

- our ability to obtain funding for our operations;
- our estimates regarding our expenses, revenues, anticipated capital requirements and our needs for additional financing;

We advise you, however, to review any further disclosures we make on related subjects in our most recent Annual Report on Form 10-K, as well as any amendments thereto reflected in subsequent filings with the SEC.

## USE OF PROCEEDS

We will not receive any proceeds from the sale of common shares offered by the selling shareholder under this prospectus. However, we will receive the proceeds of any cash exercise of the Warrants. If all of the Warrants were exercised for cash, we would receive aggregate proceeds of approximately \$9.6 million. We intend to use the net proceeds from any cash exercise of the Warrants for working capital and general corporate purposes.

## SELLING SHAREHOLDER

This prospectus covers the resale or other disposition by the selling shareholder identified in the table below of up to an aggregate of 2,739,727 of our common shares issuable upon the exercise of our outstanding Warrants.

The selling shareholder acquired its securities in the transactions described above under the heading “Prospectus Summary – Recent Developments – Registered Direct Offering and Private Placement.”

The Warrants held by the selling shareholder contain limitations which prevent the holder from exercising such Warrants if such exercise would cause the selling shareholder, together with certain related parties, to beneficially own a number of common shares which would exceed 4.99% of our then outstanding common shares following such exercise, excluding for purposes of such determination, common shares issuable upon exercise of the Warrants which have not been exercised.

The table below sets forth, as of April 4, 2022, the following information regarding the selling shareholder:

- the name of the selling shareholder;
- the number of common shares owned by the selling shareholder prior to this offering, without regard to any beneficial ownership limitations contained in the Warrants and the Pre-funded Warrants (as defined below);
- the number of common shares to be offered by the selling shareholder in this offering;
- the number of common shares to be owned by the selling shareholder assuming the sale of all of the common shares covered by this prospectus; and
- the percentage of our issued and outstanding common shares to be owned by the selling shareholder assuming the sale of all of the common shares covered by this prospectus based on the number of common shares issued and outstanding as of April 4, 2022.

Except as described above, the number of common shares beneficially owned by the selling shareholder has been determined in accordance with Rule 13d-3 under the Exchange Act and includes, for such purpose, common shares that the selling shareholder has the right to acquire within 60 days of April 4, 2022.

All information with respect to the common share ownership of the selling shareholder has been furnished by or on behalf of the selling shareholder. We believe, based on information supplied by the selling shareholder, that except as may otherwise be indicated in the footnotes to the table below, the selling shareholder has sole voting and dispositive power with respect to the common shares reported as beneficially owned by it. Because the selling shareholder identified in the table may sell some or all of the common shares beneficially owned by it and covered by this prospectus, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the common shares, no estimate can be given as to the number of common shares available for resale hereby that will be held by the selling shareholder upon termination of this offering. In addition, the selling shareholder may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, the common shares they beneficially own in transactions exempt from the registration requirements of the Securities Act after the date on which they provided the information set forth in the table below. We have, therefore, assumed for the purposes of the following table, that the selling shareholder will sell all of the common shares owned beneficially by it that are covered by this prospectus, but will not sell any other common shares that they presently own. The selling shareholder has not held any position or office, or has otherwise had a material relationship, with us or any of our subsidiaries within the past three years other than as a result of the ownership of our common shares or other securities.

<b>Name of Selling Shareholder</b>	<b>Shares Owned prior to Offering</b>	<b>Shares Offered by this Prospectus</b>	<b>Shares Owned after Offering</b>	<b>Percentage of Shares Beneficially Owned after Offering (1)</b>
Armistice Capital Master Fund Ltd. (2)	5,378,004	2,739,727	2,638,277	9.99%

- (1) Percentage is based on 15,462,287 common shares outstanding as of April 4, 2022, assuming the resale of all of the common shares covered by this prospectus and giving effect to the 9.99% beneficial ownership blockers in the Pre-Funded Warrants (as defined below).
- (2) Consists of (i) 1,438,550 common shares, (ii) pre-funded warrants to purchase up to 1,199,727 common shares (the “Pre-Funded Warrants”), and (iii) Warrants to purchase up to 2,739,727 common shares (the “Warrants”). The exercise of the Warrants and the Pre-Funded Warrants held by Armistice Capital Master Fund Ltd. (the “Master Fund”) are subject to a 4.99% beneficial ownership limitation and a 9.99% beneficial ownership limitation, respectively, which prohibit the Master Fund from exercising any portion of those warrants to the extent that, following such exercise, the Master Fund would own a number of our common shares exceeding the applicable beneficial ownership limitation. The number of shares listed in the second and fourth columns are based on the number of common shares, Warrants and Pre-Funded Warrants held by the Master Fund, assuming exercise in full of the Warrants and Pre-Funded Warrants without regard to any limitations on exercise, but the percentage set forth in the fifth column is limited by the 9.99% beneficial ownership blockers in the Pre-Funded Warrants. The securities are directly held by the Master Fund, a Cayman Islands exempted company, and may be deemed to be indirectly beneficially owned by Armistice Capital, LLC (“Armistice”), as the investment manager of the Master Fund; and (ii) Steven Boyd, as the Managing Member of Armistice. Armistice and Steven Boyd disclaim beneficial ownership of the reported securities except to the extent of their respective pecuniary interest therein. The address of Armistice Capital Master Fund Ltd. is c/o Armistice Capital, LLC, 510 Madison Avenue, 7th Floor, New York, NY 10022.

## DESCRIPTION OF SECURITIES

### Description of Capital Shares

We are authorized to issue an unlimited number of common shares, no par value, and preferred shares, no par value. As of April 7, 2022, there were 15,462,287 common shares outstanding and no preferred shares outstanding.

### Common Shares

The holders of our common shares are entitled to one vote for each share held of record on all matters submitted to a vote of the shareholders. Our shareholders do not have cumulative voting rights in the election of directors. Subject to preferences that may be applicable to any outstanding preferred shares, the holders of common shares are entitled to receive ratably only those dividends as may be declared by our board of directors out of legally available funds. Upon our liquidation, dissolution or winding up, holders of our common shares are entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preferences of any outstanding preferred shares. Holders of common shares have no preemptive or other subscription or conversion rights. There are no redemption or sinking fund provisions applicable to our common shares. Common shares outstanding, and to be issued, are, and will be, fully paid and non-assessable. Additional shares of authorized common shares may be issued, as authorized by our board of directors from time to time, without shareholder approval, except as may be required by applicable stock exchange requirements.

### Certain Provisions of Our Charter Documents and British Columbia Law

#### Anti-takeover Provisions of our Articles

In addition to the board of directors' ability to issue preferred shares, our Articles, as amended, contain other provisions that are intended to enhance the likelihood of continuity and stability in the composition of our board of directors and which may have the effect of delaying, deferring or preventing a future takeover or change in control of our Company unless such takeover or change in control is approved by our board of directors. These provisions include a supermajority vote requirement for business combinations.

#### Advance Notice Procedures for Shareholder Proposals

Effective October 31, 2013, our board of directors adopted an advance notice policy (the "Advance Notice Policy") with immediate effect for the purpose of providing our shareholders, directors and management with a clear framework for nominating our directors in connection with any annual or special meeting of shareholders. The Advance Notice Policy was approved by the shareholders at our annual meeting on February 13, 2014.

*Purpose of the Advance Notice Policy.* Our directors are committed to: (i) facilitating an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allowing shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation. The purpose of the Advance Notice Policy is to provide our shareholders, directors and management with a clear framework for nominating directors. The Advance Notice Policy fixes a deadline by which holders of record of our common shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of shareholders.

*Terms of the Advance Notice Policy.* The Advance Notice Policy provides that advance notice to the Company must be made in circumstances where nominations of persons for election to our board of directors are made by shareholders of the Company other than pursuant to: (i) a "proposal" made in accordance with Division 7 of Part 5 of the British Columbia Business Corporations Act, or "the Act"; or (ii) a requisition of the shareholders made in accordance with section 167 of the Act. Among other things, the Advance Notice Policy fixes a deadline by which holders of record of our common shares must submit director nominations to the secretary of the Company prior to any annual or special meeting of shareholders and sets forth the specific information that a shareholder must include in the written notice to the secretary of the Company for an effective nomination to occur. No person will be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Policy.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 nor more than 65 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders (which is not also an annual meeting), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

Our board of directors may, in its sole discretion, waive any requirement of the Advance Notice Policy.

### **Provisions of British Columbia Law Governing Business Combinations**

All provinces of Canada have adopted National Instrument 62-104 entitled “*Take-Over Bids and Issuer Bids*” and related forms to harmonize and consolidate take-over bid and issuer bid regimes nationally (“NI 62-104”). The Canadian Securities Administrators, or CSA, have also issued National Policy 62-203 entitled “*Take-Over Bids and Issuer Bids*” (the “National Policy”) which contains regulatory guidance on the interpretation and application of NI 62-104 and on the conduct of parties involved in a bid. The National Policy and NI 62-104 are collectively referred to as the “Bid Regime.” The National Policy does not have the force of law, but is an indication by the CSA of what the intentions and desires of the regulators are in the areas covered by their policies. Unlike some regimes where the take-over bid rules are primarily policy-driven, in Canada the regulatory framework for take-over bids is primarily rules-based, which rules are supported by policy.

A “take-over bid” or “bid” is an offer to acquire outstanding voting or equity securities of a class made to any person who is in one of the provinces of Canada or to any securityholder of an offeree issuer whose last address as shown on the books of a target is in such province, where the securities subject to the offer to acquire, together with the securities “beneficially owned” by the offeror, or any other person acting jointly or in concert with the offeror, constitute in the aggregate 20% or more of the outstanding securities of that class of securities at the date of the offer to acquire. For the purposes of the Bid Regime, a security is deemed to be “beneficially owned” by an offeror as of a specific date if the offeror is the beneficial owner of a security convertible into the security within 60 days following that date, or has a right or obligation permitting or requiring the offeror, whether or not on conditions, to acquire beneficial ownership of the security within 60 days by a single transaction or a series of linked transactions. Offerors are also subject to early warning requirements, where an offeror who acquires “beneficial ownership of”, or control or direction over, voting or equity securities of any class of a reporting issuer or securities convertible into, voting or equity securities of any class of a target that, together with the offeror’s securities, would constitute 10% or more of the outstanding securities of that class must promptly publicly issue and file a news release containing certain prescribed information, and, within two business days, file an early warning report containing substantially the same information as is contained in the news release.

In addition, where an offeror is required to file an early warning report or a further report as described and the offeror acquires or disposes of beneficial ownership of, or the power to exercise control or direction over, an additional 2% or more of the outstanding securities of the class, or disposes of beneficial ownership of outstanding securities of the class below 10%, the offeror must issue an additional press release and file a new early warning report. Any material change in a previously filed early warning report also triggers the issuance and filing of a new press release and early warning report. During the period commencing on the occurrence of an event in respect of which an early warning report is required and terminating on the expiry of one business day from the date that the early warning report is filed, the offeror may not acquire or offer to acquire beneficial ownership of any securities of the class in respect of which the early warning report was required to be filed or any securities convertible into securities of that class. This requirement does not apply to an offeror that has beneficial ownership of, or control or direction over, securities that comprise 20% or more of the outstanding securities of the class.

Related party transactions, issuer bids and insider bids are subject to additional regulation that may differ depending on the particular jurisdiction of Canada in which it occurs.

## **Warrants**

The Warrants were issued in the 2022 Private Placement on March 24, 2022 in connection with a registered direct offering of our common shares and pre-funded warrants to purchase common shares. As of April 7, 2022, the Warrants were exercisable for an aggregate of 2,739,727 common shares.

*Exercisability.* The Warrants were exercisable immediately upon issuance and expire on September 24, 2027. The Warrants are exercisable, at the option of each holder, in whole or in part by delivering to us a duly executed exercise notice and, at any time a registration statement registering the issuance of the common shares underlying the Warrants under the Securities Act is effective and available for the issuance of such shares, or an exemption from registration under the Securities Act is available for the issuance of such shares, by payment in full in immediately available funds for the number of common shares purchased upon such exercise. If at the time of exercise there is no effective registration statement registering, or the prospectus contained therein is not available for the issuance of the common shares underlying the Warrants, then the Warrants may also be exercised, in whole or in part, at such time by means of a cashless exercise, in which case the holder would receive upon such exercise the net number of common shares determined according to the formula set forth in the Warrant.

*Exercise Limitation.* A holder will not have the right to exercise any portion of the Warrant if the holder (together with its affiliates) would beneficially own in excess of 4.99% (or 9.99% upon the request of the investor) of the number of common shares outstanding immediately after giving effect to the exercise, as such percentage ownership is determined in accordance with the terms of the Warrants. However, any holder may increase or decrease such percentage, provided that any increase will not be effective until the 61st day after such election.

*Exercise Price.* The Warrants have an exercise price of \$3.52 per share. The exercise price is subject to appropriate adjustment in the event of certain stock dividends and distributions, stock splits, stock combinations, reclassifications or similar events affecting our common shares and also upon any distributions of assets, including cash, stock or other property to our shareholders.

*Transferability.* Subject to applicable laws, the Warrants may be offered for sale, sold, transferred or assigned without our consent.

*Exchange Listing.* There is no established public trading market for the Warrants. We do not intend to apply for listing of the Warrants on any securities exchange or other nationally recognized trading system. Without an active trading market, the liquidity of the Warrants is limited.

*Fundamental Transactions.* In the event of any fundamental transaction, as described in the Warrants and generally including any merger with or into another entity, sale of all or substantially all of our assets, tender offer or exchange offer, or reclassification of our common shares, then upon any subsequent exercise of a Warrant, the holder will have the right to receive as alternative consideration, for each common share that would have been issuable upon such exercise immediately prior to the occurrence of such fundamental transaction, the number of common shares of the successor or acquiring corporation or of our company, if it is the surviving corporation, and any additional consideration receivable upon or as a result of such transaction by a holder of the number of common shares for which the Warrant is exercisable immediately prior to such event.

*Rights as a Shareholder.* Except as otherwise provided in the Warrants or by virtue of such holder's ownership of our common shares, the holder of a Warrant does not have the rights or privileges of a holder of our common shares, including any voting rights, until the holder exercises the Warrant.

*Registration Rights.* We have filed this registration statement with the SEC that includes this prospectus to register for resale under the Securities Act of 1933, the common shares issuable upon exercise of the Warrants to satisfy our obligations in connection with the 2022 Private Placement. We will use commercially reasonable efforts to keep registration statement effective at all times until the selling shareholder no longer owns any Warrants or shares issuable upon exercise thereof.

## PLAN OF DISTRIBUTION

The selling shareholder, which as used herein includes donees, pledgees, transferees or other successors-in-interest selling the common shares, or interests in the common shares received after the date of this prospectus from a selling shareholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of their common shares or interests in the common shares on any stock exchange, market or trading facility on which the shares are traded or in private transactions. The selling shareholder may sell all or a portion of the common shares held by it and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the common shares are sold through underwriters or broker-dealers, the selling shareholder will be responsible for underwriting discounts or commissions or agent's commissions. The common shares may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions, pursuant to one or more of the following methods:

- on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale;
- in the over-the-counter market;
- in transactions otherwise than on these exchanges or systems or in the over-the-counter market;
- through the writing or settlement of options or other hedging transactions, whether such options are listed on an options exchange or otherwise;
- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- short sales effected after the date the registration statement of which this prospectus is a part was declared effective by the SEC;
- broker-dealers may agree with a selling shareholder to sell a specified number of such shares at a stipulated price per share;
- a combination of any such methods of sale; and
- any other method permitted pursuant to applicable law.

The aggregate proceeds to the selling shareholder from the sale of the common shares offered by it will be the purchase price of the common shares less discounts or commissions, if any. The selling shareholder reserves the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of common shares to be made directly or through agents. We will not receive any of the proceeds from sales of shares by the selling shareholder.

The selling shareholder may also sell common shares under Rule 144 promulgated under the Securities Act, if available, rather than under this prospectus. In addition, the selling shareholder may transfer the common shares by other means not described in this prospectus. If the selling shareholder effects such transactions by selling common shares to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling shareholders or commissions from purchasers of the common shares for whom they may act as agent or to whom they may sell as principal (which discounts, concessions or commissions as to particular underwriters, broker-dealers or agents may be in excess of those customary in the types of transactions involved but, except as set forth in a supplement to this prospectus to the extent required, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with FINRA Rule 5110).

In connection with sales of the common shares or otherwise, the selling shareholder may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common shares in the course of hedging in positions they assume. The selling shareholder may also sell common shares short and deliver common shares covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The selling shareholder may also loan or pledge common shares to broker-dealers that in turn may sell such shares. The selling shareholder may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of common shares offered by this prospectus, which common shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling shareholder may pledge or grant a security interest in some or all of the common shares owned by it and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the common shares from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending, if necessary, the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus. The selling shareholder also may transfer and donate the common shares in other circumstances as permitted by applicable law, in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

To the extent required by the Securities Act and the rules and regulations thereunder, the selling shareholder and any broker-dealer participating in the distribution of the common shares may be deemed to be “underwriters” within the meaning of the Securities Act. In such event, any commission paid, or any discounts or concessions allowed to, any such broker-dealer may be deemed to be underwriting commissions or discounts under the Securities Act. Selling shareholders who are deemed to be “underwriters” under the Securities Act (if any) will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

Each selling shareholder has informed us that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to engage in a distribution of the common shares. Upon us being notified in writing by a selling shareholder that any material arrangement has been entered into with a broker-dealer for the distribution of common shares, a prospectus supplement, if required, will be distributed, which will set forth the aggregate amount of common shares being distributed and the terms of the offering, including the name or names of any broker-dealers or agents, any discounts, commissions and other terms constituting compensation from the selling shareholder and any discounts, commissions or concessions allowed or re-allowed or paid to broker-dealers.

Under the securities laws of some states, the common shares may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the common shares may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

The selling shareholder may sell all, some or none of the common shares registered pursuant to the registration statement of which this prospectus forms a part. If sold under the registration statement of which this prospectus forms a part, the common shares registered hereunder will be freely tradable in the hands of persons other than our affiliates that acquire such shares.

We have advised the selling shareholder that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of common shares in the market and to the activities of the selling shareholder and its affiliates. In addition, to the extent applicable, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling shareholder for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling shareholder may indemnify any broker-dealer that participates in transactions involving the sale of the common shares against certain liabilities, including liabilities arising under the Securities Act.

Accounting fees and expenses	17,000
Printing and engraving expenses	3,000
Transfer agent and registrar fees and expenses	1,000
Miscellaneous fees and expenses	1,281
<i>Total</i>	<u>\$ 56,000</u>

#### Item 14. Indemnification of Directors and Officers

Subject to the British Columbia Business Corporations Act, or “the Act”, our directors, former directors and alternate directors and their heirs and legal personal representatives are indemnified against any judgment, penalty or fine awarded or imposed in, or an amount paid in settlement of, a stipulated legal or investigative proceeding, as set forth in our Articles. In addition, our Articles provide that we may, subject to any restrictions in the Act, indemnify any person.

Under the Act, we may indemnify (a) a current or former director or officer of the Company; (b) a current or former director or officer of another corporation at a time when that corporation is or was an affiliate of the Company; (c) a current or former director or officer of another corporation who holds or held such position at the request of the Company; or (d) an individual who at the request of the Company, is or was, or holds or held a position equivalent to that of, a director, or officer of a partnership, trust, joint venture or other unincorporated entity (collectively, an “Eligible Party”). In certain circumstances an Eligible Party will include the heirs and personal or other legal representatives of an Eligible Party. We may indemnify an Eligible Party against any Eligible Penalty (defined below) to which the Eligible Party is or may be liable. After the final disposition of an Eligible Proceeding (defined below), we may pay all Expenses (defined below) actually and reasonably incurred by the Eligible Party in connection with such Proceeding (defined below) and must pay all such Expenses actually and reasonably incurred by the Eligible Party in connection with such Proceeding if the Eligible Party has not been reimbursed for those Expenses and is wholly successful on the merits or otherwise in the outcome of the Proceeding, or is substantially successful on the merits in the outcome of the Proceeding. Among other circumstances, we shall not indemnify or cover the Expenses of an Eligible Party if the Eligible Party did not act honestly and in good faith with a view to the best interests of the Company or if the Eligible Party (other than in connection with a civil Proceeding) did not have reasonable grounds for believing that the Eligible Party’s conduct in respect of which the Proceeding was brought was lawful. Further, we cannot indemnify or cover the Expenses of an Eligible Party in respect of any Proceeding brought by or on behalf of the Company against an Eligible Party. The Supreme Court of British Columbia may, among other things, on the applications of a corporation or an Eligible Party, order indemnification by the Company of any liability or expense incurred by an Eligible Party.

“Eligible Penalty” means a judgment, penalty or fine awarded or imposed in, or an amount paid in settlement of, an Eligible Proceeding.

“Eligible Proceeding” means any legal proceeding or investigative action, whether current, threatened, pending or completed (each, a “Proceeding”), in which an Eligible Party, or any of the Eligible Party’s heirs and personal or other legal representatives (i) is or may be joined as a party, or (ii) is or may be liable for or in respect of a judgment, penalty or fine in, or Expenses related to, such Proceeding, in each case by reason of the Eligible Party’s being or having been a director or officer of, or holding or having held a position equivalent to that of a director or officer of, the Company, or is or was a director or officer of any corporation at a time when the corporation is or was an affiliate of the Company, or another entity at the Company’s request.

“Expenses” includes costs, charges and expenses, including legal and other fees, but does not include judgments, penalties, fines or amounts paid in settlement of a Proceeding.

We have also entered into separate indemnification agreements with each of our directors and executive officers, which are intended to indemnify our directors and executive officers to the fullest extent permitted under the laws of the Province of British Columbia, subject to certain exceptions. Our obligations under such separate indemnification agreements are in addition to our indemnification obligations under the Act and our charter documents.

We maintain a directors’ and officers’ liability insurance policy, which insures directors and officers of the Company and its subsidiaries for losses as a result of claims based upon the directors’ and officers’ acts or omissions, including liabilities arising under the Securities Act. The policy also reimburses us for payments made pursuant to the indemnity provisions under the Act and our charter documents.

**Item 15. Recent Sales of Unregistered Securities.**

In the three years preceding the filing of this registration statement, the Company made sales of the following unregistered securities:

**Business Combination Transaction**

On June 7, 2019, we completed a business combination with Edesa Biotech Research, Inc., formerly known as Edesa Biotech Inc. (“Edesa Biotech Research”), in accordance with the terms of the Share Exchange Agreement, dated March 7, 2019, by and among us, Edesa Biotech Research and the shareholders of Edesa Biotech Research. At the closing of the transaction, we acquired the entire issued share capital of Edesa Biotech Research, with Edesa Biotech Research becoming a wholly-owned subsidiary of ours.

At the closing of the transaction, Edesa Biotech Research shareholders received 6,249,780 of our common shares in exchange for the capital shares of Edesa Biotech Research and the holders of unexercised Edesa Biotech Research share options immediately prior to the closing of the transaction were issued substitute share options (“Substitute Options”) to purchase an aggregate of 297,422 of our common shares. On July 26, 2019, pursuant to the post-closing adjustment contemplated by the Share Exchange Agreement, we issued an additional 366,234 of our common shares to the Edesa Biotech Research shareholders and the holders of unexercised Edesa Biotech Research stock options immediately prior to the closing of the transaction were issued 17,701 additional Substitute Options to purchase our common shares.

Our common shares issued in the exchange transaction were issued in a transaction exempt from registration under Regulation S promulgated under the Securities Act, because the offer and sale of such securities was made to non-U.S. persons (as that term is defined in Regulation S under the Securities Act) in an offshore transaction.

## January 2020 Private Placement

On January 6, 2020, we entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with certain United States resident investors and Subscription Agreements (the “Subscription Agreements”) with certain non-U.S. investors providing for the issuance and sale by us of an aggregate of 1,354,691 of our common shares, in a registered direct offering (the “Offering”). In a concurrent private placement (the “Private Placement”), we agreed to sell to such investors (i) Class A Purchase Warrants to purchase an aggregate of up to 1,016,036 common shares, or 0.75 of a common share for each common share purchased in the Offering (the “Class A Purchase Warrants”), and (ii) Class B Purchase Warrants to purchase an aggregate of up to 677,358 common shares, or 0.50 of a common share for each common share purchased in the offering (the “Class B Purchase Warrants,” and together with the Class A Purchase Warrants, the “Purchase Warrants”). The price per common share and associated Purchase Warrants was (i) \$3.20 for investors other than investors that are officers, directors, employees or consultants of the company and (ii) \$4.11 for each investor that is an officer, director, employee or consultant of the company. The closing of the Offering and concurrent Private Placement occurred on January 8, 2020. The Class A Purchase Warrants were exercisable at any time on or after July 8, 2020, the six (6) month anniversary of the closing date of the Private Placement (the “Class A Purchase Warrant Initial Exercise Date”), at an exercise price of \$4.80 per share and will expire on the third anniversary of the Class A Purchase Warrant Initial Exercise Date. The Class B Purchase Warrants were exercisable at any time on or after July 8, 2020, the six (6) month anniversary of the closing date of the Private Placement (the “Class B Purchase Warrant Initial Exercise Date”), at an exercise price of \$4.00 per share and will expire on the four month anniversary of the Class B Purchase Warrant Initial Exercise Date. The exercise price and number of common shares issuable upon the exercise of the Purchase Warrants will be subject to adjustment in the event of any share dividends and splits, reverse share split, recapitalization, reorganization or similar transaction. Subject to limited exceptions, a holder of Purchase Warrants will not have the right to exercise any portion of its Purchase Warrants if the holder, together with its affiliates, would beneficially own in excess of 9.99% of the number of common shares outstanding immediately after giving effect to such exercise (the “Beneficial Ownership Limitation”); provided, however, that upon 61 days’ prior notice to us, the holder may increase the Beneficial Ownership Limitation, provided that in no event shall the Beneficial Ownership Limitation exceed 9.99%.

We received gross proceeds of approximately \$4.36 million from the sale of these securities, before deducting placement agent fees and offering expenses, and excluding the exercise of any warrants.

Brookline Capital Markets, a division of Arcadia Securities, LLC (“Brookline”), acted as placement agent in the United States in connection with the Offering and Private Placement pursuant to a Financial Advisory Agreement between us and Brookline dated November 5, 2019, as amended. Upon the closing of the Offering and Private Placement, Brookline received a placement agent fee equal to 6.5% of the gross proceeds from sales arranged by Brookline (or 3.5% in the case of sales to investors introduced by the company, or Company Investors). Brookline did not receive any cash placement fee with respect to non-U.S. investors. As additional compensation, the company issued to Brookline a warrant to purchase 12,364 common shares, which is equal to 1.25% of the number of common shares sold in the Offering and concurrent Private Placement to investors introduced by Brookline (the “Brookline Warrant”). The Brookline Warrant has a term of five years and is exercisable at a price of \$3.20 per share. Brookline did not receive any warrant compensation for securities issued to non-U.S. investors. The company also reimbursed Brookline \$55,000 for certain expenses incurred by Brookline.

The Purchase Warrants, Warrant Shares, Brookline Warrant and the common shares issuable upon exercise of the Brookline Warrant were offered pursuant to an exemption from the registration requirement of the Securities Act provided in Section 4(a)(2) of the Securities Act and Rule 506(b) promulgated thereunder.

## NovImmune SA License Agreement

On April 17, 2020, we, through our wholly-owned subsidiary Edesa Biotech Research, entered into an exclusive license agreement with NovImmune SA, which operates under the brand Light Chain Bioscience (“Light Chain”). Pursuant to the license agreement, we obtained exclusive rights throughout the world to certain know-how, patents and data relating to the monoclonal antibodies targeting TLR4 and CXCL10 (the “Constructs”). In connection with the license agreement, we issued to Light Chain \$2.5 million of our Series A-1 Convertible Preferred Shares (the “Series A-1 Shares”) pursuant to the terms of a securities purchase agreement. Series A-1 Shares issued to Light Chain were issued in a transaction exempt from registration under Regulation S promulgated under the Securities Act because the offer and sale of such securities was made to a non-U.S. person (as that term is defined in Regulation S under the Securities Act) in an offshore transaction.

## March 2022 Private Placement

In connection with a registered direct offering of our common shares and pre-funded warrants to purchase common shares, on March 21, 2022, we entered into a securities purchase agreement with an institutional investor (the “Purchaser”), pursuant to which, among other things, we sold to the Purchaser warrants (the “Warrants”) to purchase up to 2,739,727 common shares in a private placement. No separate consideration was paid for the issuance of the Warrants. The Warrants and the common shares issuable upon exercise of the Warrants were offered pursuant to an exemption from the registration requirement of the Securities Act provided in Section 4(a)(2) of the Securities Act and Rule 506(b) promulgated thereunder.

*(b) Financial Statement Schedules*

No financial statement schedules are provided because the information called for is not required or is shown either in the financial statements or the notes thereto.

**Item 17. Undertakings**

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - i. To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
  - ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
  - iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement, *provided, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.
2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
4. That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

5. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) any preliminary prospectus or prospectus of the registrant relating to the offering filed pursuant to Rule 424;
- (ii) any free writing prospectus relating to the offering prepared by or on behalf of the registrant or used or referred to by the registrant;
- (iii) the portion of any other free writing prospectus relating to the offering containing material information about the registrant or its securities provided by or on behalf of the registrant; and
- (iv) any other communication that is an offer in the offering made by the registrant to the purchaser.

6. That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

7. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

Edesa Biotech, Inc.  
100 Spy Court  
Markham, ON L3R 5H6  
Canada

Dear Sirs/Mesdames:

**Re: Edesa Biotech, Inc. - Registration of Securities on Form S-1**

We have acted as Canadian legal counsel to Edesa Biotech, Inc., a British Columbia corporation (the “**Company**”), in connection with the registration for resale (the “**Resale**”) by that selling shareholder identified in the prospectus constituting part of the registration statement on Form S-1 (the “**Registration Statement**”) filed by the Company with the U.S. Securities and Exchange Commission under the Securities Act of 1933, as amended (the “**Act**”), of an aggregate of 2,739,727 common shares of the Company without par value underlying warrants exercisable at US\$3.52 per share, subject to adjustment in certain circumstances (the “**Warrants**”, and the common shares underlying such Warrants, the “**Warrant Shares**”). The Warrants were acquired from the Company on March 24, 2022.

We have reviewed, but not participated in the preparation of the Registration Statement.

We have also examined originals or certified copies of such corporate records, documents, certificates and instruments as we have deemed relevant and necessary for the basis of our opinions hereinafter expressed. In such examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies, and the authenticity of originals or such latter documents. As to various questions of fact material to such opinion that we have not independently established or verified, information with respect to which is in possession of the Company, we have relied upon certificates and other records and certificates of officers of the Company, including a certificate of an officer of the Company, dated the date hereof, certifying certain factual matters including, among other things: (i) the certificate of continuation, notice of articles and articles of the Company; (ii) the incumbency of certain officers of the Company; and (iii) resolutions passed by the directors of the Company approving, among other things, the creation and issuance of the Warrants, the authorization and issuance of the Warrant Shares issuable on exercise thereof, and the Registration Statement and the actions to be taken in connection with the Resale. In making our examination of executed documents or documents to be executed, we have assumed that the parties thereto, including the Company, had or will have the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties of such documents and, the validity and binding effect on all such parties.

---

In rendering our opinions set forth herein, we have also assumed that, at the time of any offer and sale of Securities (i) the Company has been duly organized and is validly existing and in good standing, and has the requisite legal status and legal capacity, under the laws of the Province of British Columbia; (ii) the Company has complied and will comply with the laws of all relevant jurisdictions in connection with the transactions contemplated by, and the performance of its obligations under, the Registration Statement; (iii) the Registration Statement and any amendments thereto (including any post-effective amendments thereto) has become effective under the Act; and (iv) that the Resale will occur in compliance with applicable U.S. federal and state securities laws and in the manner stated in the Registration Statement. As to any facts material to our opinion, we have made no independent investigation of such facts and have relied, to the extent that we deem such reliance proper, upon certificates of public officials and officers or other representatives of the Company.

Based solely upon and subject to the foregoing, and subject to the assumptions, limitations, exceptions and qualifications stated herein, we are of the opinion that the Warrant Shares, when such Warrant Shares have been duly issued upon exercise of the Warrants and delivered against payment therefor in accordance with the terms of the Warrants, with certificates representing such Warrant Shares having been duly executed, countersigned, registered and delivered or, if uncertificated, valid book-entry notations therefor having been made in the central securities register of the Company, in accordance with the terms of the Warrants, will be validly issued, fully paid and non-assessable common shares in the capital of the Company.

The matters expressed in this letter are subject to and qualified and limited by (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, arrangement, moratorium or other similar laws now or hereafter in effect relating to or affecting creditors' rights generally; (ii) the effects of general equitable principles, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, and the possible unavailability of specific performance or injunctive relief, whether enforcement is considered in a proceeding in equity or law; (iii) the discretion of the court before which any proceeding for enforcement may be brought; and (iv) the unenforceability under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to the public policy. We express no opinion as to the sufficiency of any consideration to be paid for any Warrant Shares or actual receipt of such consideration.

---

We are qualified to practice law in the Province of British Columbia, and we do not purport to be experts on the law of any other jurisdiction other than the Province of British Columbia and the federal laws of Canada applicable therein. We do not express any opinion herein concerning any law other than the laws of the Province of British Columbia and the federal laws of Canada applicable therein. We express no opinion and make no representation with respect to the law of any other jurisdiction. This opinion is expressed as of the date hereof unless otherwise expressly stated, and we disclaim any undertaking to advise you of any subsequent changes of the facts stated or assumed herein or any subsequent changes in applicable law.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and the use of our firm name where it appears in the Prospectus under the caption "Legal Matters". In giving this consent, we do not admit that we included in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations promulgated thereunder.

Yours truly,
