On November 22, 2021, Edesa Biotech, Inc. (the “Company”) entered into an Equity Distribution Agreement (the “Distribution Agreement”) with RBC Capital Markets, LLC (“RBCCM”), pursuant to which the Company may offer and sell from time to time, through RBCCM as sales agent and/or principal, common shares of the Company, no par value per share (the “Common Shares”), having an aggregate offering price of up to \$15.0 million.

The Common Shares will be offered and sold pursuant to an existing shelf registration statement on Form S-3 (File No. 333-233567) filed by the Company with the Securities and Exchange Commission (“SEC”), which was declared effective on September 12, 2019 by the SEC. A prospectus supplement relating to the offer and sale of the Common Shares pursuant to the Distribution Agreement also has been filed with the SEC.

Subject to the terms and conditions of the Distribution Agreement, RBCCM may sell the Common Shares by any method permitted by law deemed to be an “at-the-market offering” as defined in Rule 415(a)(4) of the Securities Act of 1933, as amended (the “Securities Act”). RBCCM will use commercially reasonable efforts to sell the Common Shares from time to time, based upon instructions from the Company (including any price, time or size limits or other customary parameters or conditions the Company may impose). The Company may also sell Common Shares to RBCCM as principal for RBCCM’s own account at a price agreed upon at the time of sale. Any sale of Common Shares to RBCCM as principal would be pursuant to the terms of a separate terms agreement between the Company and RBCCM.

The Distribution Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions under which the Company and RBCCM have agreed to indemnify each other against certain liabilities, including liabilities under the Securities Act. The Company expects to use the net proceeds from any sales of Common Shares under the Distribution Agreement for general corporate purposes, which may include working capital, capital expenditures and research and development and manufacturing expenses.

SECTION 3: Sale and Delivery of Shares.

(a) On the basis of the representations, warranties and agreements herein contained, and subject to the terms and conditions herein set forth, the Company agrees to issue and sell through or to the Manager, as sales agent and/or principal, as and when it provides instructions, in its discretion, for the sale of the Shares, and the Manager agrees to use its commercially reasonable efforts, consistent with its normal trading and sales practices and applicable law and regulations, to sell, as sales agent for the Company, the Shares on the following terms.

(i) The Shares are to be sold by the Manager on a daily basis or otherwise as shall be mutually agreed upon by the Company and the Manager on any trading day for Nasdaq (other than a day on which Nasdaq is scheduled to close prior to its regular weekday closing time) (each, a “**Trading Day**”), for which (A) the Company, through any of the individuals listed as authorized representatives of the Company on Schedule B hereto, as such Schedule B may be amended from time to time (the “**Authorized Company Representatives**”), has instructed the Manager by telephone (confirmed promptly by electronic mail containing a notice substantially in the form attached hereto as Exhibit 3(a)(i), with a copy to each of the other Authorized Company Representatives at such time) to make such sales and (B) the Company has satisfied its obligations under Sections 4, 5 and 6 hereof. On or before a Trading Day that the Company wishes to sell the Shares, the Company will designate in a notice delivered by electronic mail substantially in the form attached hereto as Exhibit 3(a)(i) the maximum amount of the Shares to be sold by the Manager daily or over a specific trading period as agreed to by the Manager (in any event not in excess of the amount available for issuance under the Prospectus and the Registration Statement or in an amount, together with all sales of the Shares under this Agreement, in excess of the amount of Shares authorized from time to time to be issued and sold under this Agreement or below any minimum price below which sales of the Shares may not be effected) and any other limitations specified by the Company and mutually agreed by the Manager. For the avoidance of doubt, the foregoing limitation shall not apply to sales solely to employees or other security holders of the Company or the Company Parties or to a trustee or other person acquiring the Shares for the accounts of such persons in which the Manger is acting for the Company in a capacity other than as Manager under this Agreement. Subject to the terms and conditions of this Section 3(a), the Manager may sell the Shares by any method permitted by law deemed to be an At the Market Offering (as defined below), including, without limitation, sales made by means of ordinary brokers’ transactions, to or through a market maker at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices (such transactions are hereinafter referred to as “**At the Market Offerings**”). Subject to the terms and conditions of this Section 3(a) and the other terms and conditions specified herein (including, without limitation, the accuracy of the representations and warranties of the Company Parties and the performance by the Company of its covenants and other obligations, contained herein and the satisfaction of the additional conditions specified in Section 6 hereof), the Manager shall use its commercially reasonable efforts to offer and sell all of the Shares designated; *provided, however*, that the Manager shall have no obligation to offer or sell any Shares, and the Company acknowledges and agrees that the Manager shall have no such obligation, in the event that an offer or sale of the Shares on behalf of the Company may, in the reasonable judgment of the Manager, constitute the sale of a “**block**” under Rule 10b-18(a)(5) under the Exchange Act or a “**distribution**” within the meaning of Rule 100 of Regulation M under the Exchange Act, or the Manager reasonably believes that it may be deemed to be an “**underwriter**” under the Act in a transaction that is other than by means of ordinary brokers’ transactions between members of Nasdaq that qualify for delivery of a Prospectus to Nasdaq in accordance with Rule 153 under the Act.

(ii) Notwithstanding the foregoing, the Company, through any of the Authorized Company Representatives, may instruct the Manager by telephone (confirmed promptly by electronic mail) not to sell the Shares if such sales cannot be effected at or above the price designated by the Company in any such instruction. In addition, the Company or Manager may, upon notice to the other party hereto by telephone (confirmed promptly by electronic mail), suspend the offering of the Shares for a specified period (a “**Suspension Period**”); *provided, however*, that such Suspension Period shall not affect or impair the parties’ respective obligations with respect to the Shares sold hereunder prior to the giving of such notice and *provided, further*, that there shall be no obligations under Sections 4(m), 4(n), 4(p) and 4(q) with respect to the delivery of certificates, opinions, or comfort letters to the Manager during a Suspension Period and that such obligations shall recommence on the termination of the Suspension Period.

(iii) The Manager hereby covenants and agrees not to make any sales of the Shares on behalf of the Company, pursuant to this Section 3(a), other than (A) by means of At the Market Offerings and (B) such other sales of the Shares on behalf of the Company in its capacity as agent of the Company as shall be mutually agreed upon by the Company and the Manager.

(iv) The compensation to the Manager, as an agent of the Company, for sales of the Shares shall be 3.5% of the gross sales price of the Shares sold pursuant to this Section 3(a). The remaining proceeds, after further deduction for any transaction fees imposed by any governmental or self-regulatory organization in respect of such sales, shall constitute the net proceeds to the Company for such Shares (the “**Net Proceeds**”).

(v) If acting as sales agent hereunder, the Manager shall provide written confirmation to the Company (which may be by electronic mail) as soon as is reasonably practicable following the close of trading on Nasdaq each day in which the Shares are sold pursuant to this Section 3(a) setting forth (i) the number of Shares sold on such day, (ii) the Net Proceeds to the Company, and (iii) the compensation payable by the Company to the Manager with respect to such sales.

(vi) Settlement for sales of the Shares pursuant to this Section 3(a) will occur on the second business day that is also a trading day on Nasdaq following the date on which such sales are made (each such date, a “**Settlement Date**”). On each Settlement Date, the Shares sold through the Manager for settlement on such date shall be issued and delivered by the Company to the Manager against payment of the Net Proceeds for the sale of such Shares. Settlement for all such Shares shall be effected by free delivery of the Shares by the Company or its transfer agent to the Manager’s account, or to the account of the Manager’s designee, at The Depository Trust Company through its Deposit and Withdrawal at Custodian System (“**DTC**”) or by such other means of delivery as may be mutually agreed upon by the parties hereto, which in all cases shall be freely tradable, transferable, registered shares in good deliverable form, in return for payments in same day funds delivered to the account designated by the Company. If the Company, or its transfer agent (if applicable), shall default upon its obligation to deliver the Shares on any Settlement Date, in addition to and in no way limiting the rights and obligations set forth in Section 7(a) hereof, the Company shall (A) indemnify and hold the Manager harmless against any loss, claim or damage arising from or as a result of such default by the Company and (B) pay the Manager any commission to which it would otherwise be entitled absent such default. The Authorized Company Representatives shall be the contact persons for the Company for all matters related to the settlement of the transfer of the Shares through DTC for purposes of this Section 3(a)(vi).

(vii) At each Representation Date, the Company shall be deemed to have affirmed each representation and warranty contained in this Agreement. Any obligation of the Manager to use its commercially reasonable efforts to sell the Shares on behalf of the Company shall be subject to the continuing accuracy of the representations and warranties of the Company herein, to the performance by the Company of its obligations hereunder and to the continuing satisfaction of the additional conditions specified in Section 6 hereof.

(b) If the Company wishes to issue and sell the Shares other than as set forth in Section 3(a) hereof, it will notify the Manager of the proposed terms of such issuance and sale (each, a “**Placement**”). If the Manager, acting as principal, wishes to accept such proposed terms (which it may decline to do for any reason in its sole discretion) or, following discussions with the Company, wishes to accept amended terms, the Company and the Manager will enter into a Terms Agreement setting forth the terms of such Placement. In the event of a conflict between the terms of this Agreement and the terms of any Terms Agreement, the terms of such Terms Agreement will control.

(c) Under no circumstances shall the aggregate gross sales proceeds of the Shares sold pursuant to this Agreement exceed the lesser of (A) the amount set forth in Section 1 hereof and (B) the amount available for offer and sale under the Registration Statement, nor shall the aggregate amount of Shares sold pursuant to this Agreement exceed the amount of Shares authorized to be issued and sold from time to time under this Agreement by the board of directors of the Company, or a duly authorized committee thereof, and notified to the Manager in writing. The Manager shall have no responsibility for maintaining records with respect to Shares available for sale under the Registration Statement or for determining the aggregate gross sales price, number or minimum price of Shares duly authorized by the Company.

(d) Each sale of the Shares through or to the Manager shall be made in accordance with the terms of this Agreement or, if applicable, a Terms Agreement. The Manager’s commitment, if any, to purchase Shares from the Company as principal shall be deemed to have been made on the basis of the accuracy of the representations and warranties of the Company, and performance by the Company of its covenants and other obligations, herein contained and shall be subject to the terms and conditions herein set forth. At the time of each Terms Agreement, the Manager shall specify the requirements, if any, for the officers’ certificates, legal opinions and comfort letters pursuant to Sections 4(m), 4(n), 4(p) and 4(q) hereof.

(e) Subject to the limitations set forth herein and as may be mutually agreed upon by the Company and the Manager, sales effected pursuant to this Agreement may not be requested by the Company and need not be made by the Manager (i) during the 14 calendar days prior to the date (each, an “**Announcement Date**”) on which the Company shall issue a press release containing, or shall otherwise publicly announce, its earnings, revenues or other results of operations (each, an “**Earnings Announcement**”), (ii) at any time from and including an Announcement Date through and including the later to occur of (A) the time that is 24 hours after the time that the Company files a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K that includes consolidated financial statements as of and for the same period or periods, as the case may be, covered by such Earnings Announcement, and (B) the applicable Bring-Down Delivery Date of the Company referenced in Section 4(q) below, or (iii) during any other period in which the Company is, or could be deemed to be, in possession of material non-public information.

(f) The Company acknowledges and agrees that (i) there can be no assurance that the Manager will be successful in selling the Shares, (ii) the Manager will not incur liability or obligation to the Company or any other person or entity if it does not sell Shares for any reason other than a failure by the Manager to use its commercially reasonable efforts consistent with its normal trading and sales practices and applicable law and regulations to sell such Shares in accordance with the terms of this Agreement, and (iii) the Manager shall not be under any obligation to purchase Shares on a principal basis pursuant to this Agreement except as otherwise specifically agreed by the Manager and the Company pursuant to a Terms Agreement.

SECTION 4: Covenants of the Company. The Company agrees with the Manager:

(a) During the period in which a prospectus relating to the Shares is required to be delivered under the Act (whether physically, deemed to be delivered pursuant to Rule 153 or through compliance with Rule 172 under the Act or any similar rule), to notify the Manager promptly of the time when any amendment to the Registration Statement has become effective or any amendment or supplement to the Prospectus has been filed; to prepare and file with the Commission, promptly upon the Manager's request, any amendments or supplements to the Registration Statement or the Prospectus that, in the Manager's reasonable opinion, may be necessary or advisable in connection with the offer of the Shares by the Manager; and to cause each amendment or supplement to the Prospectus to be filed with the Commission as required pursuant to the applicable paragraph of Rule 424(b) of the Act.

(b) To promptly advise the Manager, confirming such advice in writing (which may be made by electronic mail), of any request by the Commission for amendments or supplements to the Registration Statement, the Base Prospectus or the Prospectus or for additional information with respect thereto, or of notice of examination, institution of proceedings for, or the entry of a stop order suspending the effectiveness of the Registration Statement and, if the Commission should enter a stop order suspending the effectiveness of the Registration Statement, to use its commercially reasonable efforts to obtain the lifting or removal of such order as soon as possible; to promptly advise the Manager of any proposal to amend or supplement the Registration Statement, the Base Prospectus or the Prospectus, and to provide the Manager and counsel for the Manager copies of any such documents (excluding any documents incorporated or deemed incorporated therein by reference) for review and comment in a reasonable amount of time prior to any proposed filing and to file no such amendment or supplement (other than any prospectus supplement relating to the offering of other securities (including, without limitation, Shares)) to which the Manager shall have objected in writing.

(c) To make available to the Manager, as soon as practicable after the date of this Agreement, and thereafter from time to time to furnish to the Manager, as many copies of the Prospectus (or of the Prospectus as amended or supplemented at such time if the Company shall have made any amendments or supplements thereto) as the Manager may reasonably request; in case the Manager are required to deliver (whether physically, deemed to be delivered pursuant to Rule 153 or through compliance with Rule 172 under the Act or any similar rule), in connection with the sale of the Shares, a prospectus after the nine-month period referred to in Section 10(a)(3) of the Act, or after the time a post-effective amendment to the Registration Statement is required pursuant to Item 512(a) of Regulation S-K under the Act, the Company will prepare, at its expense, such amendment or amendments to the Registration Statement and the Prospectus as may be necessary to ensure compliance with the requirements of Section 10(a)(3) of the Act or Item 512(a) of Regulation S-K under the Act, as the case may be.

(d) Subject to Section 4(b) hereof, to file promptly all reports and documents and any preliminary or definitive proxy or information statement required to be filed by the Company with the Commission in order to comply with the Exchange Act for so long as a prospectus relating to the Shares is required by the Act to be delivered (whether physically, deemed to be delivered pursuant to Rule 153 under the Act or through compliance with Rule 172 under the Act or any similar rule) in connection with any sale of Shares.

(e) To promptly notify the Manager of the happening of any event that could require the making of any change in the Prospectus as then amended or supplemented so that the Prospectus would not include an untrue statement of material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading, and, during any period during which a prospectus is required to be delivered (whether physically, deemed to be delivered pursuant to Rule 153 under the Act or through compliance with Rule 172 under the Act or any similar rule) in connection with any sale of Shares, to prepare and furnish, at the Company's expense, to the Manager promptly such amendments or supplements to such Prospectus as may be necessary to reflect any such change in such quantities as the Manager may reasonably request.

(f) To furnish such information as may be required and otherwise cooperate in qualifying the Shares for offer and sale under the securities laws of such jurisdictions as the Manager may reasonably designate and to maintain such qualifications in effect so long as required for the distribution of the Shares; *provided, however*, that the Company shall not be required to qualify as a foreign corporation or to consent to the service of process under the laws of any such jurisdiction (except service of process with respect to the offering and sale of the Shares); and to promptly advise the Manager of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for offer or sale in any jurisdiction or the initiation or threatening in writing of any proceeding for such purpose.

(g) To make generally available to the Company's security holders, and to deliver to the Manager, an earnings statement of the Company (which will satisfy the provisions of Section 11(a) of the Act and Rule 158 thereunder) covering a period of twelve months beginning October 1, 2020 as soon as is reasonably practicable after the termination of such twelve-month period but not later than April 1, 2022.

(h) To apply the net proceeds from the sale of the Shares pursuant to this Agreement and any Terms Agreement in the manner set forth under the caption "**Use of Proceeds**" in the Prospectus Supplement.

(i) At any time that the Company has instructed the Manager to sell the Shares pursuant to Section 3(a)(i) hereof but such instructions have not been fulfilled, settled or cancelled, not to sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to sell or otherwise dispose of or agree to dispose of, directly or indirectly, any Common Shares or securities convertible into or exchangeable or exercisable for Common Shares or warrants or other rights to purchase Common Shares or any other securities of the Company that are substantially similar to the Common Shares or permit the registration under the Act of any Common Shares, in each case without giving the Manager at least three business days' prior written notice specifying the nature of the proposed sale and the date of such proposed sale. Notwithstanding the foregoing, the Company may (i) register the offer and sale of the Shares through the Manager pursuant to this Agreement or any Terms Agreement; (ii) issue Common Shares pursuant to employee benefit plans, qualified stock option plans or other employee compensation plans existing on the date hereof; (iii) issue Common Shares in connection with the exercise of any warrants outstanding prior to the Execution Date; or (iv) issue Common Shares in connection with any acquisition, *provided*, that in connection with such issuance, the seller(s) agrees in writing to be bound by the provisions of this Section 4(i). In the event that notice of a proposed sale is provided by the Company pursuant to this Section 4(i), the Manager may suspend activity under this program for such period of time as may be requested by the Company or as may be deemed appropriate by the Manager.

(j) Not to take, and to cause each other Company Party not to take, directly or indirectly, any action designed to cause or result in, or that has constituted or might reasonably be expected to constitute under the Exchange Act or otherwise, the stabilization or manipulation of the price of Common Shares to facilitate the sale or resale of the Shares.

(k) To use its commercially reasonable efforts to cause the Common Shares to maintain its listing on Nasdaq.

(l) To advise the Manager promptly after it receives notice or obtains knowledge of any information or fact that would materially alter or affect any opinion, certificate, letter or other document provided to the Manager pursuant to Section 6 hereof.

(m) Upon commencement of the offering of the Shares under this Agreement (and upon recommencement of the offering of the Shares under this Agreement following a Suspension Period) and promptly after each date that (i) the Registration Statement or the Prospectus is amended or supplemented (other than pursuant to subclause (ii) below and other than by a prospectus supplement filed pursuant to Rule 424(b) under the Act relating solely to the offering of securities other than the Shares), or (ii) there is filed with the Commission any document incorporated by reference into the Prospectus (the date of commencement of the offering of the Shares under this Agreement and each date referred to in subclauses (i) and (ii) above, are collectively referred to as a “**Bring-Down Delivery Date**”), to furnish or cause to be furnished to the Manager forthwith a certificate dated and delivered on the Bring-Down Delivery Date, in form satisfactory to the Manager, to the effect that the statements contained in the certificate referred to in Section 6(e) of this Agreement that was last furnished to the Manager are true and correct as of such Bring-Down Delivery Date, as though made at and as of such date (except that such statements shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to such date) or, in lieu of such certificate, a certificate of the same tenor as the certificate referred to in said Section 6(e), modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such certificate; *provided* that the filing of a Current Report on Form 8-K will not constitute a Bring-Down Delivery Date under clause (ii) above unless either (A)(x) such Current Report on Form 8-K is filed at any time during which either a prospectus relating to the Shares is required to be delivered under the Act (whether physically, deemed to be delivered pursuant to Rule 153 under the Act or through compliance with Rule 172 under the Act or any similar rule) or such Current Report on Form 8-K is filed at any time from and including the date of a Terms Agreement through and including the relevant Settlement Date and (y) the Manager has reasonably requested that such date be deemed to be a Bring-Down Delivery Date based upon the event or events reported in such Current Report on Form 8-K or (B) such Current Report on Form 8-K contains capsule financial information, historical or pro forma financial statements, supporting schedules or other financial data, including any Current Report on Form 8-K or part thereof under Item 2.02 of Regulation S-K of the Commission that is considered “filed” under the Exchange Act; and *provided, further*, that the obligation of the Company under this subsection (m) shall be deferred during any Suspension Period and shall recommence upon the termination of such Suspension Period.

(n) To furnish or cause to be furnished forthwith to the Manager (i) at or promptly after each Bring-Down Delivery Date (and upon recommencement of the offering of the Shares under this Agreement following a Suspension Period), a written opinion letter of each of (i) Lowenstein Sandler LLP, U.S. counsel for the Company (including negative assurance) and (ii) Fasken Martineau DuMoulin LLP, Canadian counsel for the Company, or other counsel satisfactory to the Manager (the “**Company Counsel**”), dated and delivered as of such Bring-Down Delivery Date, in form and substance satisfactory to the Manager, of the same tenor as the opinions referred to in Section 6(c) of this Agreement, but modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such opinions; *provided, however*, that in lieu of such opinions for subsequent Bring-Down Delivery Date that a Company Counsel is required to deliver, such Company Counsel may furnish the Manager with a letter to the effect that the Manager may rely on a prior opinion delivered under this Section 4(n) to the same extent as if it were dated the date of such letter (except that statements in such prior opinion shall be deemed to relate to the Registration Statement and the Prospectus as amended or supplemented at such Bring-Down Delivery Date); *provided further* that the obligation of the Company under this subsection (n) shall be deferred during any Suspension Period and shall recommence upon the termination of such Suspension Period.

(o) Upon commencement of the offering of the Shares under this Agreement, to furnish or cause to be furnished forthwith to the Manager a written opinion letter of each of (i) Cooley LLP, U.S. intellectual property counsel for the Company and (ii) Wolff, Bregman & Goller, Israeli intellectual property counsel for the Company, in form and substance satisfactory to the Manager.

(p) At or promptly after each Bring-Down Delivery Date (and upon recommencement of the offering of the Shares under this Agreement following a Suspension Period), Proskauer Rose LLP, counsel to the Manager, shall deliver a negative assurance letter, dated and delivered as of such Bring-Down Delivery Date, in form and substance satisfactory to the Manager; *provided* that the obligation under this subsection (p) shall be deferred during any Suspension Period and shall recommence upon the termination of such Suspension Period.

(q) Upon commencement of the offering of the Shares under this Agreement (and upon recommencement of the offering of the Shares under this Agreement following a Suspension Period), and or promptly after each date that (i) the Registration Statement or the Prospectus shall be amended or supplemented to include additional or amended financial information, (ii) the Company shall file an annual report on Form 10-K or a quarterly report on Form 10-Q, (iii) there is filed with the Commission any document (other than an annual report on Form 10-K or a quarterly report on Form 10-Q) incorporated by reference into the Prospectus which contains financial information, and (iv) the Manager shall make a reasonable request therefor, to cause the Accountants, or other independent accountants satisfactory to the Manager, forthwith to furnish to the Manager a letter ("**Comfort Letter**"), dated the date of the commencement of the offering, the date of effectiveness of such amendment, the date of filing of such supplement or other document with the Commission, as the case may be, in form and substance satisfactory to the Manager, of the same tenor as the letter referred to in Section 6(d) of this Agreement but modified to relate to the Registration Statement and the Prospectus, as amended and supplemented to the date of such letter; *provided* that the obligation of the Company under this subsection (q) shall be deferred during any Suspension Period and shall recommence upon the termination of such Suspension Period.

(r) That the Company acknowledges that the Manager may trade in Common Shares for the Manager's own account and for the account of its clients at the same time as sales of the Shares occur pursuant to this Agreement; *provided*, that such activity of the Manager is conducted in compliance with Regulation M under the Exchange Act.

(s) If, to the knowledge of the Company, any condition set forth in Section 6(a) or 6(h) hereof shall not have been satisfied on the applicable Settlement Date, to offer to any person who has agreed to purchase the Shares from the Company as the result of an offer to purchase solicited by the Manager the right to refuse to purchase and pay for such Shares.

(t) To disclose in its quarterly reports on Form 10-Q and in its annual report on Form 10-K the number of the Shares sold through or to the Manager under this Agreement, the Net Proceeds to the Company and the compensation paid to the Manager by the Company with respect to sales of the Shares pursuant to this Agreement during the period covered by the report.

(u) At each Bring-Down Delivery Date, to conduct a due diligence session, in form and substance, satisfactory to the Manager, which shall include representatives of the management and the accountants of the Company.

(v) To ensure that, prior to instructing the Manager to sell Shares, the Company shall have obtained all necessary corporate authority for the offer and sale of such Shares.

(w) If, immediately prior to the third anniversary of the effectiveness of the Registration Statement, any of the Shares remain unsold hereunder, the Company will, prior to such third anniversary, file a new prospectus supplement (the “**New Prospectus Supplement**”) relating to the Shares to its subsequent registration statement on Form S-3 (the “**Subsequent Registration Statement**”), and will take all other reasonable actions necessary or appropriate to permit the offering and sale of the Shares to continue as contemplated in the expired registration statement relating to such Shares and this Agreement. Upon filing of the New Prospectus Supplement, except where the context otherwise requires, references herein to the “Registration Statement” shall be deemed to refer to the Subsequent Registration Statement, and references herein to the “Prospectus Supplement” shall be deemed to refer to the New Prospectus Supplement.

SECTION 5: Payment of Expenses. Except as otherwise agreed in writing among the Company and the Manager, the Company agrees, whether or not the transactions contemplated hereunder are consummated or this Agreement is terminated, to pay all of the Company’s expenses incident to the performance of its obligations hereunder, including, but not limited to, such costs, expenses, fees and taxes in connection with (i) the preparation and filing of the Registration Statement, the Base Prospectus, the Prospectus Supplement, the Prospectus and any amendments or supplements thereto, and the printing and furnishing of copies of each such document to the Manager (including costs of mailing and shipment), (ii) the registration, issue, sale and delivery of the Shares including any stock or transfer taxes and stamp or similar duties payable upon the sale, issuance or delivery of the Shares, (iii) the producing, word processing and/or printing of this Agreement, any Powers of Attorney and any closing documents (including compilations thereof) and the reproduction and/or printing and furnishing of copies of each such document to the Manager (including costs of mailing and shipment), (iv) the qualification of the Shares for offering and sale under state laws and the determination of their eligibility for investment under state or foreign law as aforesaid and the printing and furnishing of copies of any blue sky surveys to the Manager, (v) the listing of the Shares on Nasdaq, (vi) any filing for review of the public offering of the Shares by FINRA, including the reasonable legal fees and disbursements of counsel for the Manager relating to FINRA matters and (vii) the reasonable fees and disbursements of the Company’s counsel and of the Company’s accountants. The Manager will pay all of its out-of-pocket costs and expenses incurred in connection with entering into this Agreement and the transactions contemplated by this Agreement, including, without limitation, travel, reproduction, printing and similar expenses; provided, however, that the Company will reimburse (x) all fees, costs and expenses of external counsel to the Manager, in an amount of up to \$50,000 USD in the aggregate, and (y) the filing fees and expenses in connection with filings with the FINRA Corporate Financing Department, upon request from time to time.

SECTION 6: Conditions of the Manager’s Obligations. The obligations of the Manager are subject to (i) the accuracy of the representations and warranties of the Company as of each Representation Date, (ii) the performance by the Company of its obligations hereunder and (iii) to the following additional conditions precedent.

(a) (i) No stop order with respect to the effectiveness of the Registration Statement shall have been issued under the Act or proceedings initiated under Section 8(d) or 8(e) of the Act, and no order directed at or in relation to any document incorporated by reference therein and no order preventing or suspending the use of the Prospectus has been issued by the Commission, and no suspension of the qualification of the Shares for offer or sale in any jurisdiction, or, to the knowledge of the Company or the Manager, of the initiation or threatening in writing of any proceedings for any of such purposes, has occurred; (ii) the Registration Statement and all amendments thereto shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; (iii) neither the Base Prospectus nor the Prospectus, and no amendment or supplement thereto, shall include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading; and (iv) no Permitted Free Writing Prospectus and no amendment or supplement thereto, shall include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(b) Subsequent to the respective dates as of which information is given in the Registration Statement, the Base Prospectus and the Prospectus, there shall not have been any Material Adverse Effect, in the judgment of the Manager.

(c) On every date specified in Section 4(n) hereof, the Manager shall have received an opinion and, as applicable, the negative assurance letter of each Company Counsel, in form satisfactory to the Manager, with respect to the matters set forth in Exhibit A hereto, dated as of such date.

(d) On every date specified in Section 4(q) hereof, the Manager shall have received from the Accountants, in form and substance satisfactory to the Manager, a Comfort Letter, dated as of such date.

(e) On every date specified in Section 4(m) hereof, the Manager shall have received a certificate to the effect that (i) the representations and warranties of the Company as set forth in this Agreement are true and correct as of the Bring-Down Delivery Date, (ii) the Company has performed its obligations under this Agreement that it is required to perform on or prior to such Bring-Down Delivery Date, and (iii) the conditions set forth in paragraphs (a) and (b) of Section 6 hereof have been met. The certificate shall also state that the Shares have been duly and validly authorized by the Company, that all company action required to be taken for the issuance and sale of the Shares has been validly and sufficiently taken, and that the Company's board of directors, or a duly authorized committee thereof, has not revoked, rescinded or otherwise modified or withdrawn such authorization.

(f) On every date specified in Section 4(p) hereof, the Manager shall have received a negative assurance letter of Proskauer Rose LLP, counsel to the Manager, in form and substance satisfactory to the Manager, dated as of such date.

(g) All filings with the Commission required by Rule 424 under the Act to have been filed by any Settlement Date shall have been made within the applicable time period prescribed for such filing by Rule 424.

(h) The Shares shall have been approved for listing on Nasdaq, subject only to notice of issuance at or prior to the Settlement Date.

SECTION 7: Indemnification and Contribution.

(a) The Company agrees to indemnify, defend and hold harmless the Manager, its partners, employees, agents, members, directors and officers, any person who controls the Manager within the meaning of Section 15 of the Act or Section 20 of the Exchange Act and any “affiliate” (within the meaning of Rule 405 under the Act) of the Manager that has, or is alleged to have, participated in the distribution of Shares, and the successors and assigns of all the foregoing persons, from and against any loss, damage, expense, liability or claim (including, without limitation, the reasonable cost of investigation and any legal fees and other expenses reasonably incurred in connection with any suit, action, investigation or proceeding or any claim asserted), joint or several, which the Manager or any such person may incur under the Act, the Exchange Act, the common law or otherwise, insofar as such loss, damage, expense, liability or claim arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or in the Registration Statement as amended by any post-effective amendment thereof by the Company) or arises out of or is based upon any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as any such loss, damage, expense, liability or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in, and in conformity with information furnished in writing by or on behalf of the Manager to the Company expressly for use in, the Registration Statement or arises out of or is based upon any omission or alleged omission to state a material fact in the Registration Statement in connection with such information, which material fact was not contained in such information and which material fact was required to be stated in such Registration Statement or was necessary to make such information not misleading or (ii) any untrue statement or alleged untrue statement of a material fact included in any Prospectus (the term Prospectus for the purpose of this Section 7 being deemed to include the Base Prospectus, the Prospectus Supplement, the Prospectus and any amendments or supplements to the foregoing), in any “issuer information” (as defined in Rule 433 under the Act) of the Company, in any road show as defined under Rule 433(h) under the Act (a “**road show**”) or in any Free Writing Prospectus, or that arises out of or is based upon any omission or alleged omission to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except, with respect to such Prospectus, insofar as any such loss, damage, expense, liability or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in, and in conformity with information furnished in writing by or on behalf of the Manager to the Company expressly for use in, such Prospectus or arises out of or is based upon any omission or alleged omission to state a material fact in such Prospectus in connection with such information, which material fact was not contained in such information and which material fact was necessary in order to make the statements in such information, in the light of the circumstances under which they were made, not misleading.

If any action, suit, inquiry or proceeding (together, a “**Proceeding**”) is brought against the Manager or any such person in respect of which indemnity may be sought against the Company pursuant to the foregoing paragraph, the Manager or such person shall promptly notify the Company in writing of the institution of such Proceeding and the Company shall assume the defense of such Proceeding, including the employment of counsel reasonably satisfactory to such indemnified party and payment of all fees and expenses; provided, however, that the omission to so notify the Company shall not relieve the Company from any liability which the Company may have to the Manager or any such person or otherwise except to the extent the Company was materially prejudiced by such omission. The Manager or such person shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of the Manager or of such person unless the employment of such counsel shall have been authorized in writing by the Company in connection with the defense of such Proceeding or the Company shall not have, within a reasonable period of time in light of the circumstances, employed counsel to have charge of the defense of such Proceeding or such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from, additional to or in conflict with those available to the Company (in which case the Company shall not have the right to direct the defense of such Proceeding on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by the Company, and paid as incurred (it being understood, however, that the Company shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel) in any one Proceeding or series of related Proceedings in the same jurisdiction representing the indemnified parties who are parties to such Proceeding). The Company shall not be liable for any settlement of any Proceeding effected without its written consent but, if settled with the written consent of the Company, the Company agrees to indemnify and hold harmless the Manager and any such person from and against any loss or liability by reason of such settlement. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested the Company to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second sentence of this paragraph, then the Company agrees that it shall be liable for any settlement of any Proceeding effected without its written consent if (i) such settlement is entered into more than 60 business days after receipt by the Company of the aforesaid request, (ii) the Company shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement and (iii) such indemnified party shall have given the indemnifying party at least 30 days’ prior notice of its intention to settle. The Company shall not, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened Proceeding in respect of which any indemnified party is or may be a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such Proceeding and does not include any statement as to or an admission of fault, culpability or a failure to act, by or on behalf of such indemnified party.

(b) The Manager agrees to indemnify and hold harmless the Company and its respective partners, employees, agents, members, directors and each officer that signed the Registration Statement, each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, and the successors and assigns of all of the foregoing persons from and against any loss, damage, expense, liability or claim (including, without limitation, the reasonable cost of investigation and any legal fees and other expenses reasonably incurred in connection with any suit, action, investigation or proceeding or any claim asserted), joint or several, which the Company or any such person may incur under the Act, the Exchange Act, the common law or otherwise, insofar as such loss, damage, expense, liability or claim arises out of or is based upon any untrue statement or alleged untrue statement of a material fact made in reliance upon and in conformity with any information relating to the Manager furnished in writing by or on behalf of the Manager to the Company expressly for use with reference to the Manager in the Prospectus or arising out of or is based upon any omission or alleged omission to state a material fact therein in connection with such information, which material fact was not contained in such information and which material fact was necessary in order to make the statements in such information, in the light of the circumstances under which they were made, not misleading, it being understood and agreed that the only such information furnished by the Manager consists of the following information in the Prospectus furnished on behalf of the Manager: the second sentence of the eighth paragraph under the caption “Plan of Distribution”.

If any Proceeding is brought against the Company or any such person in respect of which indemnity may be sought against the Manager pursuant to the foregoing paragraph, such Company or such person shall promptly notify the Manager in writing of the institution of such Proceeding and the Manager shall assume the defense of such Proceeding, including the employment of counsel reasonably satisfactory to such indemnified party and payment of all fees and expenses; provided, however, that the omission to so notify the Manager shall not relieve the Manager from any liability which the Manager may have to the Company or any such person or otherwise. The Company or such person shall have the right to employ its own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of the Company or such person unless the employment of such counsel shall have been authorized in writing by the Manager in connection with the defense of such Proceeding or the Manager shall not have, within a reasonable period of time in light of the circumstances, employed counsel to have charge of the defense of such Proceeding or such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from or additional to or in conflict with those available to the Manager (in which case the Manager shall not have the right to direct the defense of such Proceeding on behalf of the indemnified party or parties, but the Manager may employ counsel and participate in the defense thereof but the fees and expenses of such counsel shall be at the expense of the Manager), in any of which events such fees and expenses shall be borne by the Manager and paid as incurred (it being understood, however, that the Manager shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel) in any one Proceeding or series of related Proceedings in the same jurisdiction representing the indemnified parties who are parties to such Proceeding). The Manager shall not be liable for any settlement of any such Proceeding effected without the written consent of the Manager but, if settled with the written consent of the Manager or if there be a final judgment for the plaintiff, the Manager agrees to indemnify and hold harmless the Company and any such person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested the Manager to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second sentence of this paragraph, then the Manager agrees that it shall be liable for any settlement of any Proceeding effected without its written consent if (i) such settlement is entered into more than 60 business days after receipt by the Manager of the aforesaid request, (ii) the Manager shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement and (iii) such indemnified party shall have given the Manager at least 30 days' prior notice of its intention to settle. The Manager shall not, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened Proceeding in respect of which any indemnified party is a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such Proceeding and does not include any statement as to or an admission of fault, culpability or a failure to act, by or on behalf of such indemnified party.

(c) If the indemnification provided for in this Section 7 is unavailable to an indemnified party under subsections (a) and (b) of this Section 7 or insufficient to hold an indemnified party harmless in respect of any losses, damages, expenses, liabilities or claims referred to therein, then the indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, damages, expenses, liabilities or claims (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Manager, on the other hand, from the offering of the Shares or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and of the Manager, on the other, in connection with the statements or omissions which resulted in such losses, damages, expenses, liabilities or claims, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Manager, on the other, shall be deemed to be in the same respective proportions as the total proceeds from the offering (net of commissions paid hereunder but before deducting expenses) received by the Company, and the total commissions received by the Manager hereunder, bear to the aggregate public offering price of the Shares. The relative fault of the Company, on the one hand, and of the Manager, on the other, shall be determined by reference to, among other things, whether the untrue statement or alleged untrue statement of a material fact or omission or alleged omission relates to information supplied by the Company or by the Manager and the party's relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, damages, expenses, liabilities and claims referred to in this subsection (c) shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating, preparing to defend or defending any Proceeding.

(d) The Company and the Manager agree that it would not be just and equitable if contributions pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in subsection (c) above. Notwithstanding the provisions of this Section 7, no Manager shall be required to contribute any amount in excess of commissions received by it under this Agreement. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

(e) The Company and the Manager agree promptly to notify each other of the commencement of any Proceeding against it and, in the case of the Company, against any of the Company's officers or directors in connection with the issuance and sale of the Shares, or in connection with the Registration Statement, the Base Prospectus or the Prospectus.

SECTION 8: Representations and Agreements to Survive Delivery. Dear Sirs/Mesdames:

Re: Edesa Biotech, Inc. - At-the-Market Offering

We have acted as Canadian legal counsel to Edesa Biotech, Inc., a British Columbia corporation (the “**Company**”), in connection with a continuous “at-the-market” offering (the “**Offering**”) of up to up to 3,333,333 common shares of the Company, no par value (“**Common Stock**”) with an aggregate offering price of up to US\$15,000,000.00 to be sold under a prospectus supplement filed by the Company with the United States Securities and Exchange Commission (“**SEC**”) on November 22, 2021 (the “**Prospectus Supplement**”) pursuant to Rule 424(b) of the Securities Act of 1933, as amended (the “**Act**”), supplementing the Company’s existing shelf registration statement on Form S-3 (File No. 333-233567) filed by the Company with the SEC, which was declared effective by the SEC on September 12, 2019 (the “**Registration Statement**”) and the prospectus contained therein (the “**Base Prospectus**”, and together with the Prospectus Supplement, the “**Prospectus**”). The 3,333,333 Common Stock issuable under the Registration Statement and Prospectus are hereinafter referred to as the “**Offered Shares**”.

The Offering is to be made pursuant to the terms of an equity distribution agreement (the “**Distribution Agreement**”) between the Company and RBC Capital Markets, as sales agent, principal, or sales agent and principal, as applicable, pursuant to which the Company may issue and sell Offered Shares from time to time in negotiated transactions or transactions that are deemed to be “at the market offerings” as defined in Rule 415(a)(4) under the Act.

We have reviewed, but not participated in the preparation of: (i) the Registration Statement; (ii) the Prospectus; and (iii) the Distribution Agreement.

We have examined originals or certified copies of such corporate records, documents, certificates and instruments as we have deemed relevant and necessary for the basis of our opinions hereinafter expressed. In such examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as duplicates or certified or conformed copies, and the authenticity of originals or such latter documents. As to various questions of fact material to such opinion that we have not independently established or verified, information with respect to which is in possession of the Company, we have relied upon certificates and other records and certificates of officers of the Corporation, including a certificate of an officer of the Company, dated the date hereof, certifying certain factual matters including, among other things: (i) the certificate of continuation, notice of articles and articles of the Company; (ii) the incumbency of certain officers of the Company; and (iii) resolutions passed by the directors of the Company approving, among other things, the execution, delivery and performance by the Company of its obligations under the Distribution Agreement. In making our examination of executed documents or documents to be executed, we have assumed that the parties thereto, including the Company, had or will have the power, corporate or other, to enter into and perform all obligations thereunder and have also assumed the due authorization by all requisite action, corporate or other, and execution and delivery by such parties of such documents and, the validity and binding effect on all such parties.

In rendering our opinions set forth herein, we have also assumed that, at the time of any offer and sale of Offered Shares (i) the Company has been duly organized and is validly existing and in good standing, and has the requisite legal status and legal capacity, under the laws of the Province of British Columbia; (ii) the Company has complied and will comply with the laws of all relevant jurisdictions in connection with the transactions contemplated by, and the performance of its obligations under, the Registration Statement and the Distribution Agreement; (iii) the Registration Statement and any amendments thereto (including any post-effective amendments thereto) has become effective under the Act; (iv) the Distribution Agreement will have been duly authorized and validly executed and delivered by any party thereto other than the Company, and will be filed with the Commission on a Current Report on Form 8-K or other applicable periodic report in the manner contemplated in the Registration Statement and the Prospectus Supplement; and (v) that the Offered Shares will be issued and sold in compliance with applicable U.S. federal and state securities laws and in the manner stated in the Registration Statement, the Prospectus Supplement and the Distribution Agreement. As to any facts material to our opinion, we have made no independent investigation of such facts and have relied, to the extent that we deem such reliance proper, upon certificates of public officials and officers or other representatives of the Company.

Based solely upon and subject to the foregoing, and subject to the assumptions, limitations, exceptions and qualifications stated herein, we are of the opinion that, with respect to any Offered Shares, when such Offered Shares have been issued and delivered against payment therefor in accordance with the terms of the Distribution Agreement, with certificates representing such Offered Shares having been duly executed, countersigned, registered and delivered or, if uncertificated, valid book-entry notations therefor having been made in the central securities register of the Company, in accordance with the terms of the Distribution Agreement, the Offered Shares will be validly issued, fully paid and non-assessable.

The matters expressed in this letter are subject to and qualified and limited by (i) the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization, arrangement, moratorium or other similar laws now or hereafter in effect relating to or affecting creditors' rights generally; (ii) the effects of general equitable principles, including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing, and the possible unavailability of specific performance or injunctive relief, whether enforcement is considered in a proceeding in equity or law; (iii) the discretion of the court before which any proceeding for enforcement may be brought; and (iv) the unenforceability under certain circumstances under law or court decisions of provisions providing for the indemnification of or contribution to a party with respect to a liability where such indemnification or contribution is contrary to the public policy. We express no opinion as to the sufficiency of any consideration to be paid for any Offered Shares or actual receipt of such consideration.

We are qualified to practice law in the Province of British Columbia, and we do not purport to be experts on the law of any other jurisdiction other than the Province of British Columbia and the federal laws of Canada applicable therein. We do not express any opinion herein concerning any law other than the laws of the Province of British Columbia and the federal laws of Canada applicable therein. We express no opinion and make no representation with respect to the law of any other jurisdiction. This opinion is expressed as of the date hereof unless otherwise expressly stated, and we disclaim any undertaking to advise you of any subsequent changes of the facts stated or assumed herein or any subsequent changes in applicable law.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and the use of our firm name where it appears in each of the Prospectus and the Prospectus Supplement under the caption "Legal Matters". In giving this consent, we do not admit that we included in the category of persons whose consent is required under Section 7 of the Act or the rules and regulations promulgated thereunder.

Yours truly,

FASKEN MARTINEAU DuMOULIN LLP
